PLEASE READ THE FOLLOWING INFORMATION CAREFULLY

Wherever the provisions herein refer to the California State Fire Marshal, also referred as CSFM, such reference shall be deemed to include and be a reference to CSFM's directors, officers, employees, agents, contractors and subcontractors, and to the contractor's and such contractor's subcontractor's directors, officers, employees and agents.

The registration by CSFM concerning the items referred to in the Application (CSFM Report does not imply any guarantee or warranty (expressed or implied, and including but not limited to merchantability) by CSFM against defects or failures in service nor any responsibility in regard to patent or trademark infringement, misuse of trade secrets or any other aspect of unfair competition. Affirmative actions of CSFM are based primarily on the data submitted by the applicant and the validity and integrity thereof as impliedly represented by applicant in submitting the same. Applicant agrees that it shall have no cause of action or claim against CSFM from time to time arising out of any listing and/or CSFM report, whether or not such listing of CSFM Report are subject to conditions, or out of any denial of this application. Applicant agrees to hold CSFM from time to time harmless, and to defend and indemnify them, with respect to any claim, liability, demand, action or judgment arising from the use or operation by any person of the product or service to which the application relates, actual or asserted whether related to the matters set forth in the first sentence of this paragraph or otherwise, whether for personal injury, wrongful death, property damage, or any type of injury or damage whatsoever, whether or not of the same kind of nature as any of the foregoing CSFM's rights pursuant to the foregoing sentence, and applicant's obligations there under, shall apply whether or not it is claimed that CSFM was concurrently negligent with others, solely negligent, actively or passively negligent, and whether or not the legal theory of the claimant(s) is on one of the foregoing grounds or some other California law shall apply to the interpretation hereof. If any part of portion of this paragraph, or any application thereof to particular facts, should be determined invalid, the provisions hereof shall be severable so as to achieve for CSFM the maximum legal application. If this application is for a renewal or revision of an existing approval for listing of CSFM Report, the provisions of this paragraph shall apply from the date of the first approval or CSFM Report regardless of: intervening modifications thereof or modifications pursuant to this application; any prior change in the number assigned to the application or CSFM Report and any prior change in ownership rights in or rights to the CSFM Report whether one or more, since filing of the application resulting in said first approval.

PERMITTED USES

Applicant agrees not to make advertising use of any CSFM approval, listing and/or CSFM Report. Applicant may make the following uses, which shall not be considered as advertising:

1. The entire current CSFM Registration Logo with product number may be reproduced in applicant's literature or furnished to any person. No reference to the CSFM approval/registration shall be included in a manner, which could be misleading.
3. Any use or reference to any CSFM approval, or test report, shall be followed by the following sentence: "It is subject to re-examination, revision and possible cancellation."

The above does not excuse compliance with any CSFM requirement as a condition of approval.

The applicant hereby waives any rights and immunities for confidential information in-so-far as publication by CSFM or qualifying test results are concerned.

In consideration of the processing of the application the applicant agrees to abide by any conditions attached to any approval, registration or renewal thereof issued pursuant to the application, or any later amendment thereto. The applicant also agrees that the printed provisions set forth herein constitute a part of the applicant's agreement.
